Lord, help me in the dark to be

Your light of hope for all to see

G D G

Cause everyone needs love, to make it to a higher place

(@end: D Em C G D G)

So many times I questioned What I could not see

Although I know My Savior Wants the best for me

I serve a God, who makes all things work for good

To those who love Him and do just what they should

So I'll bow my head and trust Him at His word and shine a light, I'll shine a light (**chorus**)

One day, when I'm in heaven And Jesus face I see

I wonder if I'll ask Him What did my troubles mean

Cause I believe for every prayer I ever said A crown of faithfulness will rest upon my head

And best of all forever praise to Him I'll give for all He did, for all He did (**solo, then Bridge**)

Bridge: C C/D G

And even though this fallen world may laughs at me

C C/D G

I will stand beside the King of Calvary

C C/D B Em

For I know in My Redeemer I will be

Am D

More than a conqueror, much more that a conqueror - (**Chorus final time**)
