<u>**Wake Up Wake Up Silent Night**</u>        by  Roger Ricketts,  Dec 2009

  D                                        G            D
Shep…herds keep watch on their sheep in the cold
       G              D              Bm              A
When Angles with greetings of peace say "Behold"
D                            G              D
  Go to manger the Christ child is born
       G              A              D
Wake up!      Wake up!    Silent Night

**Chorus:** G                            D
      Si….lent Night   Wake up!    See the Light
     **Bm**                        A
      A baby from heaven is here in our sight
      G                            D              G
      Go tell the neighbors the wise men were right
**Intro:**        D              A              D
      Wake up!    Wake up!    Silent Night    **(repeat 2x at end then shout: WAKE UP!)**

  D                            G              D
An…na and Sim…eon waited and prayed
     G              D              Bm              A
To see the dear Lord in the flesh face to face
     D                            G              D
And  there holding God in the temple did say
      G              A              D
Wake up!      Wake up!    Silent Night      **(to Chorus)**

**Bridge:**        Bm                        A              G              A              Bm
      Wake up  Wake up   Silent night      Our Saviors' arrived in the world
      **Bm**                        A              G                        A
      Wake up  Wake up   Silent night      Shout it till everyone's heard

D              G   D              G   D   Bm      A
Silent night   Holy night        All is calm all is bright
 D                            G              D
Sing hallelujah with all of your might
      G              A              D
Wake up!      Wake up!    Silent Night        **(to Chorus)**
